### Fees and Entitlement Season 16-17

Hythe and Dibden YFC now has somewhere to call home, the excellent 4G complex at Applemore school. In order to allow all of the children who are part of Hythe and Dibden YFC access to this wonderful facility the following payment package for membership to the club has been put in place. Along with the payment plan is a clear entitlement for each club member.

#### Signing on Fee and Training Costs

The signing on fee for this year has been reduced from £75 to £70 in comparison to last year. This is a one off payment that covers the cost of player registration, league membership, pitch fees for the season, provision of kit and equipment, training for coaches, player insurances and contributes towards the outlay of the presentation evening.

The annual cost of training will be covered by 10 monthly payments of £15.00 running from September to June. The initial payment of the signing on fee and September's training (total £85) will need to be received, along with signing on forms by August 31<sup>st</sup> 2016.

Thereafter 9 monthly payments of £15.00 will be due on the first of each month (starting in October & ending in June), July & August being available to use the slots at no charge. Payment by standing order please.

There is the option to pay the full annual training cost of £150 up front along with the £70 signing on fee, giving a total of £220, should any parent wish to do so.

#### Training entitlement –

In return for the annual training fee of £150 each player will receive the following training entitlement.

A minimum of a 1hr training slot per week, with the option for coaches to take up an additional 1hr (free) weekly slot (subject to coach and pitch availability).

The option to train is all year round. Thus giving 12 months training for the cost of 10 months.

During the close season or holiday period when no league games are being played, coaches can book friendlies on the pitches on Sundays (subject to availability) at no cost to the home Hythe and Dibden team. Away teams will need to cover the cost of £20 for half of the astro (9v9 pitch) or £35 for the full adult 11v11 pitch. Managers should collect this and pass on to the club treasurer, as has been the case with training fees up until now.

For age groups who play Futsal as part of their league programme, the training fees will cover the hire of a sports hall for 1hr per week for Futsal training for 3 months of the year, between December and February.

The club has done all it can to reduce the costs of training and the £150 represents 2 hours training for less than £3 per week.

Teams and age groups are welcome to carry out additional training at alternative venues and times, this will however not be included in the training fees and will need to be funded individually by the teams (through sponsorship or extra parental contributions).

thank you for your support

**HDYFC committee**

## STANDING ORDER INFORMATION

Account name: Hythe & Dibden Youth FC  
Account number: 02216266  
Sort code: 30-98-73

Reference: please use the first 3 letters of the team name, followed by the initial of your child's first name and as much of their surname as space will allow.

eg if your child's name is 'Another Player' and they play for the Hurricanes the reference would be huraplayer
