Dear Member

Our aim is your development, not just as footballers, but as young people learning not only a sport but also in building self esteem, promoting self discipline, team work, promoting commitment, providing positive physical activity and also bringing a community together for both children and adults alike.

It is vital that you enjoy your sport but also to know that enjoyment is a result of team spirit, hard work and high standards of behaviour and sportsmanship. We as officials follow the FA Respect Code of Conduct and ask that all our players, parents and supporters do the same.

We are wholly dedicated to supporting the teams' managers & coaches in providing them with both administrative and practical support in all they do and wish to achieve and also in supporting the parents and spectators who also are such a major part of what we do and try to achieve in building teams & community.

We have a remarkable committee who work very hard to ensure all aspects of the teams' needs are met, from training and match day facilities to welfare and support. We also offer training to our coaches, managers and to players to progress in their roles and to learn new roles in coaching and refereeing etc if they so desire.

There is a real sense of team spirit within the club & managers all share experience and good practice. We are not a results based club and strive to provide football for youngsters at all levels. We have a highly acclaimed club website where you can find most information needed and contacts to committee & managers. Each age group also has its own liaison officer who you can approach about any matter should the need arise.

If you are an established member then thank you for your support and welcome to another season and if you are joining us for the first time then welcome aboard for what we hope is a long, happy and rewarding time at our great youth football club....

Annual events

Tournament is held every year (usually at the end of May) for under 7 to under 13s. It is something we work very hard at and are very proud of. It raises good revenue for the club, is a great social event and (most importantly) provides a weekend of fantastic enjoyable football for around a thousand youngsters. PLEASE help as much as you can with this event ..many hands make light work & there is a massive amount of work to do - not just football related.

Presentation night is the end to the year & usually follows the tournament. This is also for the u7-u14 age groups as the older teams traditionally arrange their own events. All players receive players trophies and there are also four main awards for each team. Manager's Player, Players' Player, Supporters' Player & Clubman. It is always a fantastic night & a rare chance for the majority of the club to get together in one venue at one time.

AGM is usually held in June. Information about the finances of the club are available and the committee is elected/re-elected. All members of the club are entitled/invited to attend and will be notified of the date, time & location. If anyone would like to stand as a committee member they must follow the action laid out in the club constitution.

what the club expects from you as a player/parent/spectator..

To read, understand & follow the FA Respect Code of Conduct at all times. This is attached to your membership forms and must be signed & returned to the club.

As parents/guardians and spectators, we have a massive influence on the children's enjoyment (and therefore also success) in playing football. All our children play football because they love the game - it's fun. No matter what standard the child achieves please remember that positive encouragement will contribute to *enjoyment of the game, sense of achievement, self esteem, improving skill and technique*.

As parents and supporters our expectations and attitudes also have a significant impact on the children's attitudes towards other players, coaches, officials and spectators. Please ensure that you are always positive and encouraging towards all the children that participate - not just your own or just from your own team/club.

Applaud & encourage all the players - not just the best

PLEASE...avoid telling the children what to do/how to play.....this is the coach's job so do not give conflicting/confusing instruction... do not coach from the touch line. Do not raise your voice (even if in excitement...!)

Never use bad language or have a negative or critical attitude

Never ridicule a player for a mistake

Always respect the managers, coaches & officials decisions

Winning is not everything - to lose and put in a great performance is often better for development than to win with a poor performance. Losing with pride and having done your best is just as an important a lesson as winning with good sportsmanship.

remember these youngsters are not playing to satisfy your ambitions

Applemore 4g... let's keep it amazing.

Please ensure **correct footwear is worn** - no metal studs, no metal tipped blades/moulds, no flat trainers.....astro trainers/plastic moulds are best.....

NO ONE other than club officials & players should be on the pitch at any time

follow the **respect** code of conduct just as you would at any game

do not coach the children - that is the coach's job you will only confuse things for the players with conflicting instructions.

players must use the gates onto the pitches - **do not let them climb** over the fences.

place litter **in the bins** (even if it's not yours)

if you find anything amiss please let your manager/coach/club official know

Fees and Entitlement

Signing on Fee and Training Costs

The signing on fee is £70 per season. This is a one off payment that covers the cost of player registration, league membership, pitch fees for the season, provision of home & away/training kits and equipment, training for coaches, player insurances and contributes towards the outlay of the presentation evening.

Kit remains the property of HDYFC & must be returned if you leave/at the end of season

The annual cost of training will be covered by 10 monthly payments of £15.00 running from September to June. **The initial payment is of the signing on fee and September's training total £85.** Thereafter 9 monthly payments of £15.00 will be due on the first of each month (starting in October & ending in June), July & August being available to use the slots at no charge. **Payment by standing order in advance please.** There is the option to pay the full annual training cost of £150 up front along with the £70 signing on fee, giving a total of £220, should any parent wish to do so. Training fees are an integral part of the overall costs to be a member of HDYFC. **Failure to pay fees may lead to being unable to train or play for your team.**

Training entitlement

In return for the annual training fee of £150 each player will receive the following training entitlement.

A minimum of a 1hr training slot per week, with the option for coaches to take up an additional 1hr (free) weekly slot (subject to coach and pitch availability).

The option to train is all year round. Thus giving 12 months training for the cost of 10 months.

During the close season or holiday period when no league games are being played, coaches can book friendlies on the pitches on Sundays (subject to availability) at no cost to the home Hythe and Dibden team.

Away teams will need to cover the cost of £20 for half of the astro (9v9 pitch) or £35 for the full adult 11v11 pitch. Managers should collect this and pass on to the club treasurer. For age groups who play Futsal as part of their league programme, the training fees will cover the hire of a sports hall for 1hr per week for Futsal training for 3 months of the year, between December and February. The club has done all it can to reduce the costs of training and the £150 represents 2 hours training for less than £3 per week. Teams and age groups are welcome to carry out additional training at alternative venues and times, this will however not be included in the training fees and will need to be funded individually by the teams (through sponsorship or extra parental contributions).
